Imagine a world beyond our own where Dark Forces reign, and only one mortal stands in the way of their enslavement of humanity. The Chosen follows the life of Alex Manning, a hero called to face a destiny that he wants no part of.

Alex's life is turned upside down by an accident. He becomes an unwitting hero as he attempts to rebuild his life while fighting an ancient evil recently awakened. Alex's battle is not only with these external forces, but also with his demons within.

Synopsis: From the time that the Darkness ruled the ancient tribes, The Elders prophesied of a time when a descendant of The Gods would arise. Tonight, in the town of Winmont, an Ancient Legion has been awoken to finish what they started many millennia ago. Now, the fate of humanity is in the hands of One, but can he overcome the forces that dare to challenge the bloodline of the Gods?

Alex Manning is The One. Born of a heritage that was once a powerful civilization before it was destroyed by the Giants that once walked among men. Now tonight, in a small town, after thousands of years of being bound in the Dark Realm, the Ancient Darkness has been unleashed, and they set about to finish what was begun. Only Alex can stop the Dark Forces from destroying this town, but will he fulfil his own tests and sacrifice his life for those would seek to betray him?

The Chosen has been enthusiastically received by readers of Goth, Horror and the Supernatural.

"The Chosen is a book about good and evil, and friendships and betrayals. It is a supernatural jaunt through trust, learning, and growth. But, things are not as they seem...to find out why, read The Chosen. C. A. Milson has crafted a story that bridges both the mysterious and the horror in a supernatural thriller. On a scale of 1 to 5, I give it a 4.8". Cynthia Lea Clark - Psychologist, Author, Actor and Book Review Contributor.

"Seventy percent horror and thirty percent paranormal, The Chosen will appeal to Stephan King fans who love a little bit more supernatural. Well written, this novel is very dark, deep and even disgusting at times, but full of details to keep the storyline on track and worth reading". Amber Katze - Book Reviewer.
