Alex Manning is The One. Born of a heritage that was once a powerful civilization before it was destroyed by the Giants that once walked among men. Now tonight, in a small town, after thousands of years of being bound in the Dark Realm, the Ancient Darkness has been unleashed, and they set about to finish what was begun. Only Alex can stop the Dark Forces from destroying this town, but will he fulfil his own tests and sacrifice his life for those would seek to betray him?

Milson's new novel, *Bloodline Of Darkness* is due for release in August 2009.

Bloodline of Darkness is set ten years after his encounter in Winmont, Alex has forsaken his calling to live a life less than ordinary. All that he was and knew is now nothing more than a faded dream. But Darkness has a way of remembering, and the Ancient Legion has found a way back into the world. In the days that surround Alex's trauma, a portal is opened, and the events that occurred in Winmont have been changed. Now, the world he knows is in chaos, and the Darkness and Hellfire has ruled the earth for the last ten years. Only by witnessing the past can he change the events of the present and save us all, but will he regain his giftings before the darkness consumes the world?

In an ancient world, a darkness was unearthed. 5,000 years ago, that Darkness walked among men and they were heralded as Gods, and for a season, prosperity was given to the Northern Tribes, until Legion appeared among them and destroyed all but a handful of the Ancient Ones. Today, a hero must take his place amongst his forefathers and rectify the events that changed the world he knows. But will he overcome the darkness that rules his own heart?
