The Chosen

• **Lee Pletzers - Writer**

The Chosen has been enthusiastically received by the horror writing community, with fellow horror writer Lee Pletzers praising the novel for its strong characterization. “*The Chosen* has a lot of promise,” Pletzers says. “*Learning the characters is the fun part.*”

• **Cynthia Lea Clark - Psychologist, Author, Actor and Book Review Contributor**

“The Chosen is a book about good and evil, and friendships and betrayals. It is a supernatural jaunt through trust, learning, and growth. But things are not as they seem...to find out why, read The Chosen. C.A. Milson has crafted a story that bridges both the mysterious and the horror in a supernatural thriller”.

“On a scale of 1 to 5, I give it a 4.8”

• **Amber Katze - Book Reviewer**

“Seventy percent horror and thirty percent paranormal. The Chosen will appeal to Stephen King fans who love a little bit more supernatural. Well written, this novel is very dark, deep and even disgusting at times but full of details to keep the storyline on track and worth reading.

If you like, your books full of evil, heavy with horror and a powerful plot then this is definitely worth your time. A little too hard for my personal tastes but I still enjoyed the book for what it is.”

“Wow! This is really great! There were only a few grammatical things like apostrophes and at one point two words were stuck together, but other than that this is a really well written piece!”

“This is a great start to what I feel will be a very good story. You have built the main character well, and the plot is engaging. I am now left wondering who is the Indian. What is the meaning behind his dreams? I feel that this is a clever way to leave the reader wanting more. Well done”. Keep writing.

“This was very intriguing. I genuinely felt for Alex and his paranoid dilemma. But, there seemed to be a rushed pace throughout this whole thing. If it was slowed down a notch, it might allow the reader to catch up, visualize the place and setting more. But, that is just a suggestion. This was very enjoyable.”
